

1983 Three Cheers MK4 Newick Trimaran

RUSTY PELICAN is one of the most beautiful Newick's in the world, the **Three Cheers MK4** evo is a brilliant platform, the silhouette is magnificent, the performance fearsome, and she is superbly habitable for this type of multihull. Bought in 2016 by the current owner, the trimaran has undergone an exemplary rebuild with no other equivalent (perhaps the restoration of **FLEURY MICHON IV**, her almost sistership!). At 14m in length, she is ideally suited as an ocean-going family cruiser, or as a racing multihull for gentlemen drivers. Superlatives are short to describe the trimaran's charm, the build quality, equipment and helming feel. The happy new owner will be able to boast of owning one of the 3 or 4 flagships of the world's Newick fleet.

Model: **NEWICK THREE CHEERS Mk4**

Length: 14 (m)

Width: 9.08 (m)

Draft min: 1.3 (m)

Draft max: 2.6 (m)
