

## 1995 Prout Event 34

**1995 Prout Event 34** (hull number 065)

In need of some dedicated TLC, this one is a solid, proven, and capable platform for the discerning multihull enthusiast to put their mark on. The legendary **Prout Event 34** was previously described by Practical Boat Owner as "long-legged and luxurious", with her good-sized open saloon and ability to carry sensible cruising loads. She features the traditional and unique Prout nacelle plus low aspect ratio keels enhancing her strength, beachability, and windward performance.

Designed to be sailed single-handed with ease, effortlessly tacking through 75 degrees, everything can be handled from the spacious cockpit.
