

2019 O'Yacht Class 6

O'Yacht Class 6 Specification & Information

This 19m catamaran, built by the Latvian shipyard O'Yacht, is a high-performance multihull that can be maneuvered by reduced crew thanks to its well-designed hydraulic assistance system, large hydraulic Harken Performa winches, hydraulic mainsheet storage and hydraulic furling systems.

The mast (rotating), boom (furling), daggerboards, rudders, steering wheel and bowsprit are made of carbon.

The interior light and volume are impressive, as is the cockpit. The foredeck can be accessed directly from the saloon.

Equipped with a hybrid drive system, a diesel engine with shaft drive and an electric motor for harbor maneuvers, it's a perfect fit.

PICTURES AND VIDEOS UPON REQUEST.

Model: O'Yacht Class 6

Length: 19 (m)

Width: 9.05 (m)
Draft min: 1 (m)
Draft max: 1.5 (m)
Cabins: 4 Cabins
Built: 2019
Location: TBC
VAT status: Paid

Machinery

Hybrid Diesel Electric
1 SOLE Diesel engine - 82hp
Shaft drive
1 Electric engine - 11Kw
Gory 3-blade folding propeller

Sails and rigging

Carbon rotating mast
Carbon furling boom
Carbon retractable bowsprit
Dyneema shrouds
Delta Sails
Proradial Dacron main sail
Staysail
Light genoa
Code 0
Code D

Deck fittings

Hydraulic Harken Performa winches
Hydraulic carbon cylinder for main sheet
Hydraulic furlers
Lewmar Concept windlass
Carbon steering wheel
2 Cockpit showers with hot water
2 Swimming ladders
Huge aft storage locker
Big sail locker

Electronics

Hydraulic autopilot
Raymarine I70
Raymarine P70
Raymarine VHF
Raymarine radar
Raymarine AIS

Axiom 7 touch screen at steering wheel

Electricity

Solar panels

Alternators 48V & 24V & 12V

Inverter 48V & 24V

Lithium engine battery - 20amp

Lithium house batteries - 24V - 200amp

Support battery - 48V - 100amp

Watermaker

Hot water on engine and 220V

Interior

3 Double cabins

1 Single berth

Workshop in engine room

3 Toilets with showers

Washing machine

Convertible cockpit table

Convertible saloon table

Galley:

3 Burner gas stove

Gas oven

Freezer

2 Fridges

Extra remarks

V-lift in carbon for light tender

Highfield tender

Outboard engine
