

2022 Bali 5.4

Bali 5.4 Specification Details:

This **Bali 5.4** equipped with a pack “Excellence” and “Elegance”, has a large saloon, galley and cockpit at the stern which become a huge open space. On this catamaran, there is no lack of space. Through the front door you have easy access to the very comfortable front cockpit with its sunbathing area. The windows guarantee an unparalleled panoramic view. The fly bridge becomes a living space, with benches, tables, refrigerator and sink, sheltered by a large bimini. The cabins are also very comfortable, especially the master cabin with its double exit and separate bathroom with shower cabin.
