

## Lagoon 560

A great opportunity to acquire this **Lagoon 560** of end 2012. She is a 5 cabin version with totally independent cabins with bathroom. A large owner cabin on starboard side and a spacious main living room with 360 degree view in impeccable condition.

DOLCE DIVA has been crewed by the same professional captain since her delivery from the factory and is crewed by 2 people all year long. Thanks to exigence of the owner, this Lagoon 560 has been cared perfectly, all preventive and corrective maintenance made on time, as well as necessary Up Grades. One of those important up grades to mention is the version 2 of E-Plex technology.

Flybridge with her own saloon and full size bimini, covering the entire area. Extra custom seat on the back of helm seat allow to have a very pleasant social area. Square top mainsail, genoa and staysail in Hydranet and one big gennaker. DOLCE DIVA has 110Hp Yanmar option, with folding propellers, dinghy console and 50hp outboard engine.

This is a rare opportunity of Lagoon 560 in such perfect condition, full options, never chartered.

Model: **Lagoon 560**

Length: 17.07 (m)

Width: 9.44 (m)

Draft max: 1.5 (m)

Cabins: 5 Cabins

Built: 2012
