

Outremer 40

Simple, fast, seaworthy and very nice during navigation, this **Outremer 40**, with her small roof, is also a perfect cat for traveling at ease on high seas.

The fittings are rustic but well suited to the program. Neither the line nor the performance have taken any wrinkles.

She is very well maintained – large maintenance and investment listing since 2014 available on request as well as recent expertise. She is ready for 2021 season, and in very good condition for her age. 7 Winter months on the hard and 5 summer months at anchor near St. Raphaël.

Model: **Outremer 40**
